

Printing of EMT Card

Official Notification

All EMS related personnel (EMTs and drivers) can print a copy of their credential from their ImageTrend profile.

Steps to Generate Card:

- Login to your ImageTrend profile
- Select **My Account**
- Look for your card:

Click **Generate Card**. A copy of your card will be printed with the qr code.

NOTE: You must have a suitable picture on your profile before printing your card.

- You can always request a card from the Division.

KNOW THE FOLLOWING:

- ❖ This is an official department card.
- ❖ This card can be used as identification for a DHEC Inspector.
- ❖ This card can be laminated.
- ❖ We will issue a card upon initial certification. A card will also be issued if there is a change in level of certification.
- ❖ You can always request a card from the Division.
